Dear Mr Avramopoulos,

Thank you for your letters of 21 and 22 December 2022 registered respectively under the reference Ares(2022)8903623 and Ares(2023)129982.

I have well taken note of the reassuring information that you have shared with the Commission. The elements put forward in your second letter are very important for the Commission. The information confirms the elements that you provided in your notification to the Commission of your intended activity for the Association Against Impunity and for Transitional Justice, and it also confirms the compliance with the conditions established by the Commission in its Decision C(2021) 9002 authorising your post term of office professional activity as member of the Honorary Board of the above mentioned Association.

Based on the elements at my disposal, I see no need for the Commission to take any further measures in this matter. Should the Commission require further information at a later stage, we might come back to you.

Yours sincerely,

Ilze Juhansone
